Sir:

RECEIVED  
MAR 14 2001  
TO 3760 MAIL ROOM

In response to the Election of Species Requirement dated July 26, 2000 (Paper No. 3), Applicant elects, with traverse, the species of Group I, Figures 1-2, claims 1-10 being readable thereon for further prosecution on the merits.

The Examiner is respectfully requested to reconsider and withdraw the election requirement. Both 37 C.F.R. Section 1.141 and M.P.E.P. Section 806.04(a) provide that a reasonable number of species may be claimed in one application. It is respectfully submitted that the number of species claimed in the present application does not exceed such a reasonable number, particularly in view of the structural similarity of, and the similar field of search required for, the claimed species. Reconsideration and withdrawal of the election requirement, therefore, are requested.
